

Get your DOG or Cat “fixed” for free!

The Peninsula Humane Society & SPCA's
free sterilization clinics for DOGS and CATS.

When: OCTOBER 7th and 14th

Where: Eastside School,
1041 Myrtle (x Pulgas St.), East Palo Alto

- * Bring your dog/cat to the large PHS/SPCA vehicle parked inside the school's front gate **between 8-9 am** on any date listed above.
- * **Return at 3:45 pm** to pick-up your pet.
- * Only 2 pets per family; pups/kittens must be at least 16 wks old.
- * Pets cannot eat any food the morning of surgery or the night before from midnight on.
- * Pets should be current on vaccinations. If your pet is not vaccinated, you can attend the PHS/SPCA low-cost shot clinic at 12 Airport Blvd., San Mateo, on Wednesday, Sept. 6, 6-8 pm.
- * Fixed pets can't have accidental litters, they can't get certain forms of cancer and they are less likely to act aggressively.
- * We're unable to "fix" dogs over 80 lbs and dogs or cats 9+ yrs old.
- * Pets will be accepted on a first-come, first-served basis.
- * Clinics are for East Palo Alto residents only.
- * Surgeries are performed by a licensed PHS/SPCA veterinarian.
