

# **Stop Foreclosures!**

**Help families stay in their homes**

**WHAT:** Join borrowers, counselors and advocates for a rally and press conference calling on the Governor and Legislature to:

- Stop foreclosures for 180 days so that loan servicers and borrowers can work out loan modifications
- Require loan servicers to modify loans to affordable 30-year fixed-rates, with public reporting of progress so they can't just claim success, they have to show it

**WHY:** Nearly 700,000 homes have foreclosed in California this year, and foreclosures are expected to continue devastating families and their neighborhoods.

**WHEN:** Tuesday, November 25 at 11:00 a.m.

**WHERE:** On the steps of the California State Capitol, L Street Between 10th and 11th Streets, Sacramento
