

The Metropolitan Transportation Commission is Recruiting

MTC is currently recruiting to fill vacancies on all three of its advisory committees: the MTC Advisory Council, the Elderly and Disabled Advisory Committee and the Minority Citizens Advisory Committee. Each committee makes recommendations on a range of transportation issues and projects being considered by the Commission - from the regional transportation plan to state and federal legislation to general planning principles for the Bay Area. Advisory committee members attend monthly meetings during regular business hours and may receive a stipend. For more information on MTC's advisory committees, go to:
